

TAKING THE FABRIC INDUSTRY INTO THE INTERNET AGE.

Kim Kight launched True Up two years ago. Her blog became an instant success. She'll tell us how she managed to grow her business over the last two years to a subscriber list of over 4500. By keeping her information current, she attracts over 30,000 unique visitors each month.

True Up is the first to review the release of new fabric lines and collections, convey fabric industry news, conduct interviews with designers, and educate readers on different types of fabrics and prints. Kim is a wiz at linking her information, creating an in depth study of the topics she is covering.

When:

SATURDAY, MAY 22, 2010

7 PM

Where:

TEXTILE CENTER

3000 UNIVERSITY AVENUE SE

MINNEAPOLIS, MN

612-436-0464

ADMISSSION:

\$5.00
